## **CASH / VALUABLE PROTECTION**

### **Shock Hardbox Strollers**

**APPLICATION:** Ideal for safe transportation of large amounts of cash, valuables and important documents.

**The Stroller range offers** an extremely effective, yet non-lethal 50,000-volt shock as well as an ear-piercing siren as deterrents against theft. A hard plastic finish ensures more durability and the extendable handles and wheels easy maneuverability.

**Used by:** Security Contracting Companies, Banks, Corporate as well as Private Businesses and jewelry industry.

#### **Features include:**

- Long range remote control activation, 50-100 metres.
- High voltage, non-lethal, safe yet effective shock all round case as well as in handles and extendable handles
- Ear-piercing siren (110-dB) to attract unwanted attention
- Built-in rechargeable battery with plug-in charger supplied.
- Durable Hardbox, stylish finish looking like an ordinary luggage carrier.
- Detachable sealed electronic insert for easy maintenance.
- Optional: Unique temporary safe stand-by storage facility / Back-up wrist strap activation / Colour smoke/dye pack.
- Fully warranted in accordance with the Force Manufacturing warranty.
